The Moore The Merrier 2010

An exciting opportunity exists for horse racing enthusiasts to be involved in a syndicate that will lease 2 horses for the duration of the 2010 Flat season ,an unraced 3 year old gelding by Avonbridge out of Tantalize and an unraced 2 year old by Modigliani out of a Japanese Dam, Stands With a Fist.They will both be trained in Upper Lambourn by Group 1 winning trainer Stan Moore and the horses will run in the syndicate colours for the duration of the 2010 Flat Season.

The Avonbridge gelding like so many of his sire's offspring has taken time to come to himself and rather than rush him as a 2 year old at the backend of last year or trying to get him ready for an all weather winter campaign Stan wisely decided to let him grow into himself and prepare him for this seasons flat campaign. He is currently cantering away and will shortly be in full work and ready to run in the next 6-8 weeks.

The Modigliani colt was recently purchased at the Goffs Kempton Breeze Up sale in early March , he is a lovely looking horse who has recently been gelded and he will come into his own towards the summer months with the start of the six furlong races.

As the horses have not yet been named all syndicate members will have the opportunity to be involved in the naming of them by competition.

Syndicate members will have the opportunity to attend scheduled open mornings to view the horses at the stables at dates to be confirmed. Regular updates on their progress and future race declarations / entries will be made via e-mail and internet to keep all members informed.

Racecourse entry ticket allocation when the syndicate horses run will be controlled on a first come basis with a draw from the hat if allocation is exceeded however we will try to accommodate all members where possible on a fair rotation basis.

All inclusive cost of only £425 plus VAT

The one off cost for the syndicate is £425 per share plus vat and it is proposed to limit the number of shares to 50. Winning prize money will be distributed on a pro rata basis at the end of the 2010 season.

If you wish to discuss any aspect of the syndicate in further details please do not hesitate to contact either
